## **CLASS DESCRIPTIONS:**

**CREATIVE KIDDOS:** A unique opportunity for young artists to explore the creative process. This class includes a story followed by an “invitation to create” – an open-ended project in which the kids take the lead and make creative decisions with a provided set of materials. Parent participation is required. Ages 4 and under.

**LEVEL 1:** These students can draw basic shapes and demonstrate good pen control (able to color inside the lines). Generally, this class is appropriate for ages 5 to 7.

**LEVEL 2:** These students can draw more complex shapes and forms. They also understand color mixing, shadows and light, and perspective. Most of these children are ages 8 to 10.

**LEVEL 3:** These advanced artists have mastered the above skills and are ready to take on art compositions and further develop an understanding of the art world. Ages 11 and up.

**ALL OF THESE CLASSES ARE REGULAR AND ONGOING. \$25 REGISTRATION FEE FOR NEW STUDENTS, \$35 MONTHLY TUITION.**

**PUNCHCARDS AVAILABLE - \$50 FOR 5 CLASSES.**
